The Greater Truth

“But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you” (Romans 8:11).

There are great truths in God’s Kingdom, but as you mature in the things of God, you’ll discover there are greater truths you can live by.

If you’re suffering from sickness today, healing has been made available to you in Christ Jesus. You don’t need to suffer one more day. The question is: have you accepted the Healer? If you have, then healing is yours.

However, there’s something more than receiving divine healing; it’s dwelling in divine health. Someone may say, “Is it possible for anybody to always be healthy, without ever falling sick at any time?” Emphatically yes! The Bible shows us that the quality of life we received when we were born again is superior to all manner of sickness, disease, and infirmity.

I once read the story of John G. Lake. While he was a missionary in South Africa, there was a bubonic plague outbreak that destroyed many people. It was said that all the officials who came to care for the sick and bury the dead had to wear protective clothing, but Lake didn’t. When asked why he hadn’t contracted the deadly disease, he replied that the Law of the Spirit of life in Christ Jesus had set him free from the law of sin and death (Romans 8:2).

To demonstrate the reality of God’s Word, Lake asked that an experiment be carried out on him with live samples of the bubonic plague bacteria. When they placed the live bacteria in his hands and observed them under a microscope, to their utter amazement, the bacteria died on contact with Lake’s hand! The man had so contemplated the life of God in him that he knew his body could not be infected by any infirmity.

This is a greater truth; it’s greater than healing. The life of a Christian is not subject to disease; it’s a disease-destroying life! In the Old Testament, God said, “**The life of the flesh** (i.e., the human body) *is in the blood*” (Leviticus 17:11). That’s why when the blood is infected, sickness follows.

However, when you’re born again, you cease to live by the blood that flows through your veins. The Bible says that if Christ is in you, though your body is dead because of sin, the Spirit gives it life because of righteousness (Romans 8:10 NIV). This means the Holy Spirit gives life to your physical body because of righteousness, which is your new nature.

Romans 8:11 makes it even stronger. It says, “**But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to (or vitalize) your mortal bodies through His Spirit who dwells in you**” (NKJV). This makes you impregnable to sickness, disease, and every form of infirmity.

In this realm of life, you don’t need healing for your body. No infirmity can successfully thrive in your body. God wants all His kids to function in this realm of life. If you’re born again, you’ve gone past healing; you’re the healed and God constantly nourishes your body by His Spirit that lives in you. More so, you’ve become a healer. Jesus said, “*Heal the sick*” (Matthew 10:8). He didn’t say, “Look for healing.”

Stay connected to God’s Word that speaks of your health. Believe it, receive it, speak it, and act on it. It’s the final authority as far as your health is concerned.

PRAYER OF SALVATION

If you want to make Jesus Christ the Lord of your life, then say this prayer, believing with all your heart:

“O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess with my mouth that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of Jesus Christ, I receive eternal life into my spirit. I am born again!”

If you've just said that prayer, please send an email to feedback@enterthehealingschool.org.
God bless you.

MY LIFE IS AMAZING NOW!

- Pippa Stoker

In July 2021, 26-year-old Pippa Stoker began to experience swelling in her face, spine, and joints. The condition came with excruciating pain that sent her to the emergency room for the first time. It would be the beginning of an ordeal that would change her life. At the hospital, several tests were run, but the results were inconclusive. Pippa was sent home without a diagnosis.

Over the next six months, her condition went from bad to worse. She suffered severe loss of mobility and was forced to use a wheelchair and crutches to get around. Simply getting out of bed became a chore she didn't look forward to. *"I couldn't even wash my hair,"* she recalls. *"That was really embarrassing, needing someone else to do something that basic for me."*

Things came to a head in December 2021 when she was taken to the hospital with severe tachycardia; her heartbeat was an astronomical 260 beats a minute compared to the normal range of 60-100 beats per minute. She was instantly placed in intensive care.

"For three weeks, I was on life support while the doctors administered intravenous painkillers and antibiotics," she recalls. *"After the first week, they came and told me I had a mycoplasma infection and cancer of the liver. I was on three different antibiotics at the time, but they said the infection was resistant to all three and I would need two new types."*

"For three weeks, I was on life support while the doctors administered intravenous painkillers and antibiotics. After the first week, they came and told me I had a mycoplasma infection and cancer of the liver."

Eventually, Pippa was cleared to return home, but the damage to her body was extensive. She still needed a wheelchair and crutches to get around, and now she was also suffering from myalgic encephalitis (also known as chronic fatigue syndrome). Six months before, she'd been a vivacious young artist who enjoyed gardening and painting murals. Now, she needed help to get out of bed in the morning. *"There was no way I could*

look after myself. It was just like I was wasting away. That's when I spoke to my friend about my condition. He came to visit me and told me about the Healing Streams," she says.

She didn't know it then, but that visit from her friend was the hand of God reaching out. She watched and listened to testimonies of people who were healed through the Healing Streams Live Healing Services, and for the first time since her trials began, she felt the stirrings of something that she had thought was lost to her: hope. *"I thought if this could work for all these people, then it could work for me. It was amazing, joyful, and wonderful to see all these people's lives changed," she recalls.*

Energized by this hope, Pippa registered and began to prepare for her moment, and sure enough, the big day arrived. Finally, it was her time. She was sitting in a healing center in the United Kingdom and participating in the service when Pastor Chris began to pray for the sick all over the world, asking them to lay their hands on the affected parts of their bodies.

"When Pastor Chris told us to lay our hands on our body," she says, "I placed my hand on my chest area, and I felt something come through my hand; it was almost like a vibration that went straight to my soul. It was amazing." In that moment of faith, she was made whole. "The next morning, I woke up and got out of my bed normally for the first time in nine months. It was amazing. I just got out of bed with no help. I didn't need anyone to help me. I watered my whole garden from the sheer excitement!" Pippa remembers.

Her return to the hospital was a walk of triumph. Gone were the crutches and the wheelchair, the bloated appearance, and the weakness. The doctors who handled her case were stunned. *"My orthopedic doctor*

couldn't believe what had happened. He told me this had to be a miracle; I'd lost over three kilograms of excess fluid practically overnight!" she enthuses.

"My orthopedic doctor couldn't believe what had happened. He told me this had to be a miracle; I'd lost over three kilograms of excess fluid practically overnight!"

That was not the end of it, however. There was a battery of tests to determine the condition of her liver, and when the results came back, Pippa burst into tears of unbridled joy. The tests confirmed what she had known by faith that evening at the healing center. She was completely cancer-free!

Today, Pippa is the picture of divine health. Now she does everything she couldn't do while she was ill. She can run, jump, swim, and she's started painting again; something she couldn't even imagine doing before.

Not only has she been miraculously healed, but she has also received something far more precious. On the first day of the Healing Streams, she received the greatest miracle of all; the gift of eternal life. Listening to her speak, you can tell that she is still filled with wonder at this new life she's received. *"My life is amazing now. It's completely changed!" she declares.*

All over the world, there are many with stories like Pippa's; people who had been given up for dead but came to the Healing Streams and discovered the power that vanquished death itself. Every day, their stories pour in from all corners of the globe, proving that the Name of Jesus truly has all power.

Billions Prepare For Showers of Miracles at the July 2022 Healing Streams Live Healing Services with Pastor Chris

All around the world, regardless of country, wealth, social status, or connections, many lack the ability to do the simple things that are often taken for granted and are denied the simple comforts of everyday life as a result of some debilitating illness or the other.

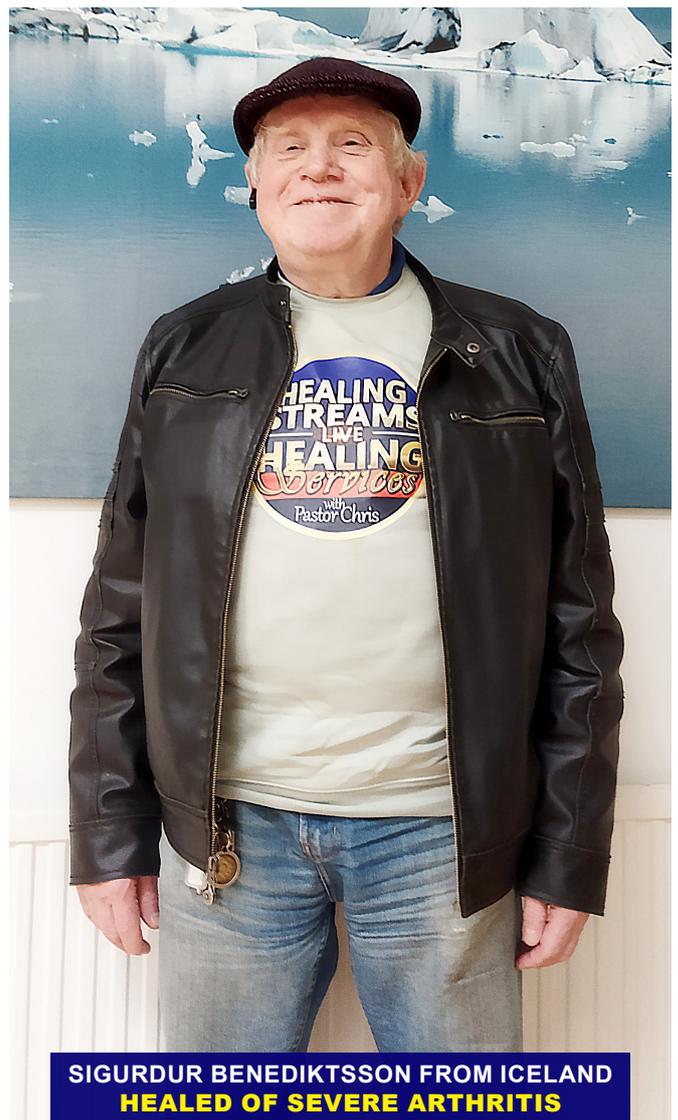

But many across the globe have had their lives restored; others received salvation; and many more, by extension, have taken the message of divine health and God's healing power to their world and spread the light of the Gospel – all by reason of the miracles they received at the Healing Streams Live Healing Services with Pastor Chris.

An Icelander, Sigurdur Benediktsson, walked into a healing center for the March 2022 Healing Streams Live Healing Services with arthritis in his knees and shoulders. This condition had been on for years and his knees were so bad that he needed surgery. Also, the pain in his shoulders robbed him of sleep. *"I couldn't bend my knees, couldn't lift my legs. Climbing stairs or any form of vigorous exercise involving my legs was out of the question,"* he adds.

For years, Sigurdur battled this condition with medication but as his joints deteriorated, he knew he needed a permanent solution. So, when he heard about the Healing Streams Live Healing Services with Pastor Chris, Sigurdur registered and decided that he was going to get a different report; the Lord's report.

For three days, he watched as people all over the world got out of wheelchairs, saw the power of God obliterate long-term illnesses, and he knew it was only a matter of time. He would not be disappointed. On the third day, after the final healing service was over, he slept and woke up with a stunning realization. *"I slept like a baby,"* he said. That wasn't normal for him because of the trouble with his shoulder. He got out of bed, windmilled his arms without pain, and tested his knees.

For the first time in five years, he could move without pain. He was delirious with joy. *"Now, I can walk up and down the stairs, I can run, I can jump, I can do anything!"* he enthuses, laughing and demonstrating with a little hop. His joy is infectious, and looking at him you can tell that this is the hand of God at work.

**SIGURDUR BENEDIKTSSON FROM ICELAND
HEALED OF SEVERE ARTHRITIS**

One day in mid-2021, Matthew Ebinum noticed something unusual about his daughter Zoey. Her complexion had darkened in patches, and upon closer inspection, he noticed it was dry and scaly. *“We visited the hospital and Zoey was diagnosed with atopic eczema and this condition has no cure,”* he recalls. Zoey’s parents tried alternative therapies but the situation got even worse. The following months saw the little girl become a shadow of her vibrant and active self. Things changed when her mother heard about the March 2022 Healing Streams Live Healing Services. The decision to participate in the program was the beginning of an astounding miracle.

On the third day of the healing services, to Matthew’s delight, Pastor Chris called Zoey and prayed for her. Narrating the family’s experience of the Healing Streams, Matthew says, *“While Pastor Chris was praying for children, my wife and I laid hands on our daughter. At that point, we just knew that God had healed her.”* Her parents knew the matter was settled and they both rejoiced. But they were startled at the speed of the change. *“The next day, we noticed that Zoey was playing with other kids; she hadn’t been that way for months. By that week’s end, her skin had stopped peeling and she looked fresh again. Since that day, the transformation has been permanent,”* he says.

**ZOEY EBINUM FROM NIGERIA
HEALED OF ATOPIC ECZEMA**

**BASSANT GERGES FROM EGYPT
HEALED OF EYE PROBLEMS**

For a very long time, Bassant Gerges from Egypt couldn’t see things clearly. *“Things that were far away and small writings were difficult to see and it was hard for me to cross the street by myself,”* she recalls. As a video editor, this condition made her work difficult, as she couldn’t look at the computer screen for too long; the resulting headaches affected her delivery at work. This continued until she heard about the Healing Streams Live Healing Services with Pastor Chris. *“I had high expectations to receive my healing by faith,”* Bassant says.

What follows is a remarkable experience and a testimony. She narrates: *“When Pastor Chris was about to pray, he said to put our hands where we needed a miracle. I placed my hands on my eyes and I received the words of prayer. While that was on, the Holy Spirit told me I was healed. I was full of joy. I opened my eyes and I could see very well. My sight is perfect now, I can see so clearly with no pain or headache. Now, I do my work easier and faster. I can see all the details easily. I can do everything now without stress. I am more confident of God’s love because I know He takes care of even the smallest things because I am important to Him. Thank you, Pastor Chris, for this miracle. I was planning to get glasses but I no longer have a need for that.”*

**MARIO SCANDOVAL
FROM AUSTRALIA
HEALED OF SEVERE BURNS**

Mario Scandoval from Australia was steaming some fish for his dinner when a terrible accident occurred. The pot fell from the stove, spilling 10 liters of boiling water onto his legs. The pain was instant and excruciating. *“There were huge blisters all over. In some places, the skin had peeled off entirely. Finally, the ambulance came and took me to the hospital,”* he narrates. He was rushed to the emergency room and the doctors treated the injuries and he was given a pair of crutches to help him move around since he couldn’t use his left leg. Then, he was referred to the burns unit for skin grafts, with a prognosis that it would take at least a year for him to fully recover.

Though housebound, isolated, and in constant pain, Mario knew he was blessed when he received an invitation to the Healing Streams Live Healing Services with Pastor Chris. When the time came, he placed his hands over the bandages as the man of God prayed for people all over the world to be healed. A moment later, Pastor Chris said to check where the problem was. Mario got a pair of scissors and began to cut away the bandages. *“When I saw my legs, the skin was dry, as if nothing ever happened. I was overwhelmed with joy. I was healed! I stood and started jumping. There was no more pain!”*

Completely restored, Mario went for his doctor’s appointment the next day. Astonished at the miracle he was witnessing, the doctor canceled the skin graft and all treatments, saying, *“You don’t need this anymore. What you need is sunscreen for your legs because you’ve got baby skin. Your skin is brand new!”*

Mario has had a most remarkable encounter and his miracle has become a tool for convincing all who hear that all things are possible with God. Mario says, *“I believe in my heart that this testimony isn’t just mine; it belongs to the Lord. I just witnessed His power. And I want to say thank you to Pastor Chris and all the Healing Streams partners all around the world. Above all, I want to say thank You to the Lord.”*

24 HOURS of PRAYER, MIRACLES & TESTIMONIES

A REPORT ON THE FEBRUARY 2022 EDITION OF
THE HEALING SCHOOL ONLINE PRAYER CONFERENCE

The February 2022 Healing School Online Prayer Conference was a time of answers and miracles for people all over the world. For 24 hours, billions of people banded together, praying in the Spirit and making intercession for the sick and for the nations.

The director of the Healing School, Pastor Deola Phillips, welcomed the global audience. *“We will be praying fervently towards the Healing Streams Live Healing Services with Pastor Chris. We will make power available, directing our thoughts, energies, and divine resources toward that special program. If you’re watching, have an expectation. With us and with God, anything is possible,”* she said.

Ministers of the Gospel and partners of the Healing School joined Pastor Deola for exciting discussions, during which they shared insights and testimonies from the Healing Streams Live Healing Services, as well as their inspiration for participating in the program.

Pastor Dipo Fisho from Christ Embassy Abuja Zone read from Matthew 24:14 and said, *“Healing Streams is a witness to the end of the age, to the fact that Jesus is coming soon, and that no one needs to suffer. The Healing Streams has given the world direction.”*

Commenting on the ever-increasing impact and importance of the Healing Streams, Pastor Femi Olumurewa from Christ Embassy USA Zone 2, Region 1 pointed out that *“What we’ve noticed is that the glory is increasing with each edition. More people are coming and we are seeing an ever-increasing number of testimonies. Truly, it is an answer to the cry of billions all over the world.”*

Prophetess Jaydene Van Wyk of Goshen Embassy, a Healing School partner from South Africa, had several amazing testimonies of the impact in her community. *“There was a lot of fear going around at the time but then, here comes Pastor Chris into your house to minister healing to you. It was amazing! The Word of God is not bound to any language; it is Spirit and Truth. When Pastor was ministering, people who did not understand English received healing,”* she enthused.

Also, participants were treated to testimonies from the Live Healing Services and other outreaches of the Healing School, which stirred faith in the listeners for miracles to come. One testimony was that of little Samuel who was diagnosed with Wilms’ tumor – cancer of the kidneys – that left him fighting for his life. Participating in the Healing Streams Live Healing Services, his mother laid hands on him as the man of God prayed and Samuel was healed. Now, he is free to play and laugh as any child should.

With the ministers on set, Pastor Deola prayed for those who needed healing and those who had sent in their prayer requests. They declared healing and wholeness to all and the power of God was directed to effect the change many had long desired.

Norma wrote from the Cayman Islands: *“I had severe heart palpitations for more than three weeks. As Pastor Deola gave the word that the miracles had started, I received healing. The pain in my back disappeared and the palpitations ceased. Hallelujah!”*

From Nicaragua, Tina wrote: *“As we were praying, Pastor Deola mentioned my mother’s case. For the past few years, she had been hearing noises in her head, but now she is completely fine and really at peace.”*

For 24 hours, pastors and leaders from various parts of the world took turns to lead the global congregation in prayer, interceding for the nations and prophesying about the March edition of the Healing Streams. As the people prayed, power was released and even more miracles happened across the nations.

This epochal prayer conference set the stage for the Healing Streams Pray-A-Thon 720, a special prayer program during which God’s saints from all over the world prayed consistently and continuously for 24 hours every day, for 30 days.

Undeniably, these awesome times of prayer marked a glorious prequel to the March 2022 Healing Streams Live Healing Services that reached more than 6.7 billion people and brought about an avalanche of miracles.

Faith's PROCLAMATIONS OF HEALING & HEALTH

“Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth” (Philippians 2:9-10)

There is power in the Name of Jesus. His Name gives us absolute mastery over the devil, and over all sickness and infirmity. What God's people need is to understand the power behind the Name and how to apply it. You can begin today to make demands in the Name of Jesus. Talk to your body and tell it how you want it to function; it will comply! Remember that Jesus spoke to a tree, to the winds and the waves, even to corpses, proving that everything God made has intelligence. Your body and the circumstances around you have intelligence, so speak to them today in the Name of Jesus!

CONFESSIONS

I walk in God's plans and provisions for me. The life in me is not susceptible to sickness. Every fiber of my being, every cell of my blood, and every bone of my body work perfectly! I live in health, wealth, and prosperity, all the days of my life.

Divine health is my nature. Therefore, I am not subject to the elements of this world and my body cannot be dominated or put under by headaches, fever, diabetes, or any manner of sickness and disease.

I dwell in Zion, the city of God, where sickness is alien and illegal. I don't fall sick because I'm a partaker of God's divine nature. The life in me is indestructible! I'm never feeble because divine strength is at work in me.

Health is my birthright; my body conforms to the Word of God at all times, for it is the house of the Holy Ghost. I refuse anything that's inconsistent with God's Word. I live and enjoy the glorious and victorious life. Hallelujah!

I am a well-watered garden. Streams of healing waters flow from me to all in my world. I don't contract or transmit sickness. The good life is mine, health is mine, and joy is aglow in my spirit. My life is a complete testimony that there's a higher life in Christ. Praise God.

The Word of God is alive and active, penetrating my

whole being, vitalizing every part of my body, and inundating me with strength and energy by the power of the Holy Spirit. I am not moved by the prevalent circumstances anywhere in the world because I am impregnable to sickness and disease.

Thank You, dear Father, for the power in the Name of Jesus. Thank You for the privilege of using this Name to render the power of the enemy useless. In the Name of Jesus, I'm healthy and whole, not subject to the afflictions and corruptions that are in the world. Amen!

I live a great life; a life free of pain, discomfort, and anything that's associated with darkness because I am born of the light of God's Word. My whole body is full of life. There's no trace of sickness, disease, or infirmity connected to me.

I cannot be sick because Jesus makes me well. He has paralyzed the works of the enemy and has brought them to nothing. Therefore, I am reign over Satan and his cohorts of darkness by the power of the Holy Spirit and in the Name of Jesus.

I vehemently refuse anything that's inconsistent with God's desire for my life. I dwell in health all the days of my life because this power in me is greater than sickness. Glory be to God!
