“Who His own self bare our sins in His own body on the tree, that we, being dead to sins, should live unto righteousness: by whose stripes ye were healed” (1 Peter 2:24).

God is not choosing whom to heal and whom not to heal. He is not choosing to help or bless one person and curse another. In Christ, He has chosen to bless everyone. The sacrifice that paid for the sins of the whole world is the same sacrifice that secured healing for the whole world.

So why are many people, including Christians, not living in the reality of their healing? It is for the same reason that not everyone is saved. Some do not believe, and others have not heard. However, the important thing to know is that God has made health available to every one of His children. The question, therefore, is, *“How do we receive and enjoy all that He has made available to us?”* You might be in a situation where medical hope has failed, and you know that what you need is a miracle. I have good news for you. The miracle you need is closer than you can imagine!

There are steps you can take to receive the miracle you need. The story in **Mark 5:25-29, 33-34** is recorded in the Bible for our benefit. By following this woman’s example of faith, we will be taking the same definite steps toward receiving our own miracle, and we will surely have the same results. In other words, receiving a miracle from God is not a mysterious process but a practical experience. That means you can set the time for your miracle!

This woman had suffered for twelve long years and may have resigned herself to her condition. Things began to change when she heard about Jesus and believed that He had the power to heal her. The Bible says, **“So then faith cometh by hearing, and hearing by the word of God” (Romans 10:17).**

This means that you have to hear. This is the first step toward receiving your miracle. Without the necessary information, faith cannot come to you. When you listen to the Word of God and believe it, faith will come to you. Observe what she did next. If you read Matthew’s account of the same story, it says, **“And, behold, a woman, which was diseased with an issue of blood twelve years, came behind Him, and touched the hem of His garment: For she said within herself...” (Matthew 9:20-21).**

Wonderful! She was not speaking to anyone in particular; she was speaking to herself until she was convinced! The second principle is voicing your faith. Declare what you believe you will receive. After hearing and believing, the next step is to say it!

After hearing, believing, and speaking what she desired, the woman with the issue of blood needed to take the next vital step, which was to act on what she believed. Let me tell you, everything may not look rosy and cozy, but you must act. Just to make this point clearer to you, I want you to know that this woman faced an uphill task in getting to Jesus, but she overcame her challenges. Do not let anything stop you from pressing on in faith!

The last and most important step is to testify. Some people want to “test” their miracle before testifying. But you must understand that the only way to keep your miracle is to tell it. By sharing your testimony, the faith you’re exercising restores wholeness to you, which is more than healing. I encourage you today to put these steps into practice and set the time for receiving your miracle.

PRAYER OF SALVATION

If you want to make Jesus Christ the Lord of your life, say this prayer, believing with all your heart:

"O Lord God, I come to You in the Name of Jesus. I believe that Jesus Christ is the Son of the Living God. I believe that God raised Him from the dead and I confess that Jesus Christ is the Lord of my life from today. I receive, by faith, remission of sins for my soul. Right now, in the Name of our Lord, Jesus Christ, I receive eternal life into my spirit. I am born again!"

If you've just said the prayer, please send an email to info@httnmagazine.org.
God bless you.

AN OUTPOURING ^{of} HEALING GRACE

Every edition of the Healing Streams Live Healing Services with Pastor Chris ushers the world into a season of marvels and divine possibilities, where lives are transformed across many nations. **From Friday, July 24 to Sunday, July 26**, another edition of this epochal program is set to convene billions for a manifestation of miracles and wonders.

Unforgettable Encounters

In a time when many are searching for answers, solutions, and freedom from affliction and pain, the Healing Streams presents the opportunity for an encounter with God's transformative power. Each session is designed by the Spirit of God to guide participants into that experience.

The times of worship set the tone for the supernatural, drawing hearts into expressions of praise to the Lord. The moments of prayer intensify readiness. The testimonies shared are living proof of God's power. And the ministration of the Word by the man of God, Pastor Chris, enlightens the global participants.

His prayers for the sick are defining moments of the Healing Streams experience that usher in healing. Time and again, people who connect from different parts of the world receive healing from diverse sicknesses and diseases. The dead are raised, the lame walk, blind eyes open, and cancer and every form of affliction disappear.

Critical Conditions Reversed!

For **Beatriz from Nicaragua**, her struggle began with unexplained symptoms, constant pain, and weakness. At the hospital, test results showed a cancerous tumor in her brain. Further examinations confirmed that the cancer had metastasized to her spine. The tumor was surgically removed, and it seemed all would be well.

But two weeks later, Beatriz was told she had developed hydrocephalus, a neurological condition with limited treatment options. Also, there were still signs of cancer.

Matters were dire until Beatriz connected to the Healing Streams at the hospital. She was healed after Pastor Chris ministered to the sick. Follow-up tests showed that all traces of cancer were gone and the hydrocephalus had cleared, astonishing her doctors.

"I was told I would die, but I trusted the Lord every step of the way, and everything was reversed! No more pain, no more brain problems. I am completely well," she testifies.

BEATRIZ, HEALED OF BRAIN CANCER

Cancer Defeated!

In 2022, **Kendra from the USA** was diagnosed with stage III breast cancer after she found a lump in her left breast. Over the next three years, the tumor grew larger, causing severe pain and open wounds. Although multiple medications were prescribed to manage the pain, the resulting fatigue, dizziness, and drowsiness limited her ability to work, drive, and carry out her daily responsibilities.

Determined to be healed, Kendra registered for the Healing Streams. As she prepared, her faith grew, and she stopped the medications. During the program, Pastor Chris laid hands on her, and every infirmity was dispelled. Today, Kendra rejoices in her healing and is deeply grateful to God and Pastor Chris for this life-transforming miracle and a life free of limitations.

KENDRA, HEALED OF BREAST CANCER

All Limitations Gone!

After recovering from a severe knee injury, **Harsha from India**, 30, discovered that a simple stretch of his left leg triggered sudden pain. This condition, later diagnosed as sciatica, worsened over the years, affecting his lower back. He suffered other injuries that eventually left him bedridden.

In need of a turnaround, Harsha attended the Live Healing Services online and was elated when Pastor Chris declared him free. He says, *"The night Pastor*

Chris prayed for me, I slept peacefully. By morning, I was completely healed. Both legs are restored, and I now stand and walk without support. I can bend, sit, and walk normally again! Thank You, Lord!"

HARSHA, HEALED OF SCIATICA

The reach and impact of the Healing Streams is ever-increasing and ever-expanding. With the July edition approaching, the air is abuzz as people prepare and position themselves for the global phenomenon. Here are four impactful ways to participate:

- 🌀 **Pray:** The 90 Days of Prayers and Testimonies on the Prayer Clouds is ongoing. Sign up now and pick a 15-minute slot to pray daily.
- 🌀 **Publicize:** Spread the message through every channel; ensure everyone in your world is aware, informed, registered, and ready.
- 🌀 **Penetrate & Saturate Places:** Manifest God's power in every locality through healing outreaches and Healing Streams crusades.
- 🌀 **Partner:** Amplify your reach and impact more lives everywhere. Sponsor the Healing Streams and extend healing and salvation to the nations.

I AM FREE & WITHOUT PAIN

Amgalanzaya Agwaan-Osor Testifies

For Amgalanzaya Agwaan-Osor, a 56-year-old from Mongolia, life as she knew it changed after a series of devastating strokes that began in 2014. By 2016, a more severe stroke left her arm and leg paralyzed. She also experienced difficulties with speech and facial movement, further compounding things. From that point, she became bedridden. Later on, she was diagnosed with diabetes mellitus, adding to the severity of her health challenges.

The stroke robbed her of mobility and independence. Simple tasks such as sitting up, walking, or using her hands were no longer possible. "I couldn't do anything with my left arm and leg. I couldn't raise my hands. I couldn't move, and due to the diabetes, eating became difficult for me, having to live on a restricted diet," Amgalanzaya recounts.

For nearly a decade, she lived confined to a bed, dependent on her husband for almost everything. Despite repeated hospital visits, treatments, and medications, there was no real improvement. Days turned into months, and months into years, with Amgalanzaya in this dire state.

However, everything began to shift in 2025. Amgalanzaya was invited for the March 2025 Healing Streams. Stirred by faith, she decided to participate and began preparing accordingly. On the healing service day, she was ready and expectant. When the man of God, Pastor Chris, began praying for the global congregation, she reached out for her miracle.

"As Pastor Chris prayed for the sick around the world, I laid my hands on every part of my body because I was sick everywhere. I felt the power of the Holy Spirit move through me, and suddenly it was as if something left my body. I knew my healing had come. That prayer was all I needed," she recounts.

By the next morning, Amgalanzaya woke up and discovered strength where weakness had lingered for years. *"I realized I had been healed completely. I can walk now. I can raise my hands, run, and dance again. I can eat freely and do everything I couldn't do before. I am free and without pain. The diabetes and stroke are gone forever. This is a great miracle for me,"* she attests.

A LEGACY OF HEALING AND HEALTH FOR HUMANITY

Many years ago, a divine mandate was placed on the heart of the man of God, Pastor Chris, to minister the compassion of our Lord Jesus Christ to the hurting, the sick, the vulnerable, the poor, and all those overlooked by society.

From the very beginning, the mandate was born to reach out with hope and healing to individuals, families, and communities around the world. Over the years, Pastor Chris has reached out with compassion to the sick and the needy, ensuring that help and care are made available in places where they are required.

His deep and compassionate focus on healing and health for all is displayed through the Healing Streams and other outreach initiatives and medical intervention programs that have impacted communities, cities, and countries over the years.

This vision has found expression in the development of sustainable healthcare solutions designed to serve the sick and the poor in underserved communities.

Driven by this mandate, Pastor Chris has championed several groundbreaking healthcare initiatives aimed at making quality medical services accessible where they are most needed.

Among them is the Loveworld Medical Centre, an ultramodern multi-specialty hospital established to provide advanced, comprehensive healthcare services through state-of-the-art medical facilities and highly skilled professionals.

The humanitarian vision of the man of God also birthed the Loveworld Community Clinics (LCCs), which operate as primary and secondary healthcare hubs strategically located within underserved communities.

So far, the clinics have impacted thousands of families and beneficiaries, delivering healthcare services alongside messages of hope, healing, and restoration. Building on the success thus far, LCCs continue to expand across nations, providing affordable, standardized, Christ-centered healthcare for families who would otherwise be left without help.

SPECIAL MIRACLES WITH THE HEALING TO THE NATIONS MAGAZINE

Healing to the Nations Magazine Brings *a Miracle to April*

April, a 43-year-old from South Africa, was involved in a ghastly car accident in August 2025 and was rushed to the hospital. He was placed in the ICU with multiple fractures in his spine, severe brain swelling, and lung compression. He could not breathe on his own and was placed on a ventilator for respiratory support while remaining under close monitoring in a fragile state.

After several medical assessments, he was informed that he would never walk again and was expected to have severe neurological impairment affecting consciousness and recognition of people and his environment due to cerebral swelling. While April was in the hospital, his family visited him and prayed fervently for him. They placed the Healing to the Nations Magazine on all the affected parts of his body and played highlights from a past Healing Streams Live Healing Services. As the prayer was still ongoing, he regained consciousness, began to see, and immediately recognized every member of his family. This marked the first turnaround in his condition.

Moments later, strength returned to his body, and he began walking. The same doctors who had declared that he would never walk again soon witnessed him walking. Further examinations were carried out to verify his condition, and the results were nothing short of a miracle. X-rays showed that the fractures were gone, his ribs were intact, his spine was healed, and his brain was completely normal, with no trace of the earlier trauma.

Now, April is back to living a completely restored and active life. He walks unaided, runs, and drives. The breathing difficulty is gone. *"I fought death and won. This is a great miracle of God and His power at work in the Healing to the Nations Magazine,"* April testifies. Now reunited with his family, he is back in church, actively serving the Lord and distributing the magazine to others, sharing with many that the Word of God works and bringing this message of hope to those in need.

He appreciates all the partners for their commitment and support and extends heartfelt thanks to Pastor Chris for taking healing to the nations and transforming lives around the world.

Why Clean Indoor Air MATTERS

SCAN
TO WATCH
HEALTH
DOCUMENTARIES

Indoor air quality is one aspect of healthy living that many people do not think about. Yet, a large part of the day is spent indoors. People spend hours breathing indoor air, where pollutants can build up unnoticed because air is invisible. Short-term exposure can cause headaches, fatigue, irritation, and poor concentration, while long-term exposure may worsen allergies, asthma, and other conditions.

Many everyday factors can reduce indoor air quality, including dust, cooking smoke, pet hair, mold, cleaning products, and even household items like paints, air fresheners, candles, and furniture that release harmful particles or chemicals over time.

Benefits of Clean Indoor Air

- It supports breathing and reduces exposure to airborne irritants.
- It supports energy levels and reduces fatigue.
- It supports clear thinking and concentration.
- It promotes deeper and more restful sleep.

Natural Ways to Improve Indoor Air Quality

- 🌀 **Improve Ventilation:** Open windows for a few minutes daily to allow cross-ventilation.
- 🌀 **Clean Regularly:** Regular cleaning helps prevent the buildup of dust. Also, pay attention to hidden areas and corners.
- 🌀 **Use Safer Cleaning Products:** Some cleaning products contain strong chemicals that linger in the air. Choose gentler, natural alternatives.
- 🌀 **Balance Humidity:** Excess moisture promotes mold, while dry air causes discomfort, so maintain balanced humidity through proper ventilation and prompt leak repairs.
- 🌀 **Use Natural Odor Absorbers:** Instead of strong fragrances, use natural options like baking soda or activated charcoal to absorb unwanted smells.
- 🌀 **Incorporate Air-Purifying Plants:** Plants like the spider plant, snake plant, and peace lily can help improve air freshness.
- 🌀 **Keep Kitchen Air Fresh:** Use proper ventilation while cooking, and air out the kitchen afterward.

Faith's PROCLAMATIONS OF HEALING AND HEALTH

“My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh” (Proverbs 4:20-22).

Healing is God's will for you. It is your birthright as a child of God. However, the devil is constantly seeking ways to bring you down with sickness and disease. The Bible says in **1 Peter 5:8**, **“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.”**

God has shown you through His Word how to keep what He has given you. Some people think He is always watching for when they would do something wrong so He can take back their healing. No, God is not that way! He would never take back what He has given you.

CONFESSIONS

I am born of God; my origin is in Him! No sickness has the power or ability to destroy my body! I have the overcoming life of God in me, and that makes me indestructible and impregnable to infirmity.

My life does not accommodate pain, sickness, death, or anything that is of the devil. The Lord, my God, is King eternal. He reigns supreme in every quarter of my body. He has blessed me with everlasting life — a life of agelessness and deathlessness.

I speak the Word daily, and its power is activated in my body; it causes a divine transformation that is evident for all to see! I choose and live the good life. I have health, strength, and vitality. God's Word is nourishment for my spirit, refreshment for my soul, and health to my body. I pay attention to God's Word and believe what it says about me. I walk in victory every day of my life.

I am an associate of the God-kind and a partaker of the divine nature. I am free from the corrupting influences, decadence, and destruction of the world. I walk in divine health and function from a vantage position of victory and unending success in Christ.

God's Word is health to my body and medicine to my flesh. As I meditate upon it constantly, it fills my spirit and produces results in me. It vitalizes my body from

the inside out! I refuse to live a limited life; I use my faith to produce the things I want to see. I take charge of the circumstances of my life today, as I speak forth the changes that I desire.

The Lord is my refuge and fortress; I can't be defeated! I am kept by God's mighty power; no plague can come near my dwelling! I am constantly shielded from harm. I live my days in health, strength, and prosperity.

Jesus bore all my infirmities on His own body. Therefore, I refuse to be brought down by sickness. In Christ Jesus, I live in divine health. The Name of Jesus has been named upon me, and I declare that my body is protected from all evil.

I have a miracle today. I refuse to be moved by any evidence to the contrary, because I have the superior evidence of God's Word. My life is not by chance; I direct the way my life goes through my faith-filled words. Therefore, I am always on top in every situation.

The Holy Ghost lives in me; therefore, I have the dynamic ability to effect changes! I refuse to permit anything contrary to God's Word in my body. As I speak in other tongues, I declare that supernatural changes are taking place in me, in Jesus' Name. Amen!
